SECONDARY LISTING OF ASTORIA INVESTMENTS LTD ON THE NAMIBIAN STOCK EXCHANGE

Shareholders are advised that the Namibian Stock Exchange (“NSX”) has approved the listing of all the issued shares, being 126 809 944 ordinary shares, of Astoria by way of a secondary listing on the NSX with effect from Wednesday, 10 February 2016 under the NSX share code “ARO”.

The board is of the view that Astoria’s offering of an easy and relatively low cost means of gaining exposure to a globally diversified portfolio of assets will be attractive to Namibian institutional and retail investors.

Consequently, it is anticipated that the NSX listing will broaden Astoria’s investor base and provide an additional source of capital to fund the company’s growth aspirations and ultimately improve the depth and breadth of the shareholder base of the company, improving liquidity in the trading of Astoria’s shares.

Astoria has its primary listing on the Stock Exchange of Mauritius Ltd, a secondary listing on the AltX of the JSE and from Wednesday, 10 February 2016 will hold an additional secondary listing on the main board of the NSX.
